Above are the prices based on the amount of the retainer held with GEC. Retainers will be renewed annually with invoices being sent in January in the amount of previous year's services to bring the retainer to its previous amount. Termination of a retainer will result in a \$25 service charge and the remaining difference will be refunded. Invoices can be sent upon request in the desired amount of the retainer you would like to purchase. Please contact GEC with questions, or to set up a retainer account.
